

# LED DÉCOR PRICELIST | 2017

LED Décor has become extremely popular in corporate events and providing that wow factor at any event. We have a variety of items to enhance your event and brand in various ways.

All our stock uses the latest technology to enable our products to run completely wireless with battery lifetime of up to 30 hours. Its also DMX512 industry standard compatible with any lighting desk. All our products provide the full spectrum of colours controlled via a wireless link and can be set to a static colour, fade from one colour to another, set on a timer or fade to the rhythm of music.”

Enhance your event now!
